you better believe it's true  
you know I do I do  
you better believe it's true  
you know I do I do

I'm a screw-up of epic proportions  
A walking hand grenade  
Hyper-manic, a dime store dramatic  
A conduit for pain

She said "Don't speak, don't think  
just take it all, take it all"  
I said "Don't speak, don't think  
just mess me up, mess me up"

you better believe it's true  
you know I do I do  
you better believe it's true  
you know I do I do

(Don't speak, don't think, just take it all)

I'm pathetic, overly apologetic  
I'm a tight-rope tragedy  
You're chicken little, I'm a monkey in the middle  
There's something wrong with me

She said "Don't speak, don't think  
just take it all, take it all"  
I said "Don't speak, don't think  
just mess me up, mess me up"

you better believe it's true  
you know I do I do  
you better believe it's true  
you know I do I do

you better believe it's true  
you know I do I do  
you better believe it's true  
you know I do I do

humming a slightly varying tune  
opposite angles of the moon  
buried in layers of ourselves  
leaves room for no one else

I believe it's true  
cause nothing matters  
when I'm all wrapped up in you

I believe it's true  
cause nothing matters  
when I'm all wrapped up in you

you better believe it's true  
you know I do I do  
you better believe it's true  
you know I do I do

you better believe it's true  
you know I do I do  
you better believe it's true  
you know I do I do
