We were given the rights. Our rights to Freedom.
But lately the Government, thinks we don't need
'em.
People, we must remember not to shoot the
messenger.
The media is needed so truth can be feeded, and
leaded to...
The People.

[Chorus]
We call ourselves a democracy!
That sounds funny to me.

Those of us who live by the shore
We know a bit more
About ocean pollution.
We must find a solution.
Solution.

[Chorus]

"If there is one word that I would use to sum up the
atmosphere in Iraq,
that word would be fear."
