Now that Iâ€™m at home again,
I have some time to put my pen to paper.
Itâ€™s been awhile, I know its been awhile,
we went to Mexico, but Iâ€™ll tell you about that later.

Well I seen a lot of change in a little time
I write a lot of music and a little rhyme and

[Chorus]
Iâ€™m fine
Just me and my Guitar.

Well Iâ€™m havin fun just makinâ€™ plans
Just stayin out, until the end of daylight.
and I claim to be bilingual but thereâ€™s
certain words in Spanish that I canâ€™t say right.

Well I seen a lot of change in a little time
I write a lot of music and a little rhyme and

[Chorus]

In Mexico with all my friends,
The surf was mediocre but the fun was never ending.
It changed my life I swear it changed my life
And this USA feels like weâ€™re just pretending.

Well I seen a lot of change in a little time
I write a lot of music and a little rhyme and

[Chorus]
