### Mark Universe Main Squeeze Lyrics

#### Intro

Like breakfast in the morning its the most important  
meal of the day

Thats how I want you with me, then Ill be on my way

#### Chorus:

(You got me saying)

Oh, as soon as I wake up, I think about what my body  
needs, wants thats my main squeeze

Like orange juice in my cup, fill me up and give me  
what my body needs, wantsthat's my main squeeze

Background: Fruit punch, grape juice dont compare

Cause shawty youre the truth and I want you, yeah

You give me what I want and yeah you give me what I  
need

You give me what I want, Shawty you the main squeeze

#### Refrain

She my main squeeze, she my main squeeze

Good to me like a fresh smoothie

My orange juice, my apple juice, so nourishing, up to  
hold me down

And to give me what I need.

#### Verse 1

I aint talking bout the birds, I aint talking bout the bees,

I bring home the bacon and I bring home the cheese

Keep my mind at perfect ease and you do it just to  
please

And I do it just to please and I am very pleased indeed

And Mrs. Lady she agrees, know I am country as saving  
grease

She sweet as some pastries, pleasant as a summer  
breeze

She aint open up her heart, she gave me a set of keys  
and said, gone set me free

Them pretty wings flew to me, now I know what its gone  
be nourishing as vitamin C

Keep me up like coffees, watching me like t.v.s , a  
delight to me like muffins with berries, them other

juices, just a tease aint nothing like my main squeeze

Repeat Chorus 1 x

(You got me saying)

Oh, as soon as I wake up, I think about what my body  
needs, wants thats my main squeeze

Like orange juice in my cup, fill me up and give me

what my body needs, wantsthat's my main squeeze

Background: Fruit punch, grape juice dont compare

Cause shawty youre the truth and I want you, yeah

You give me what I want and yeah you give me what I  
need

You give me what I want, Shawty you the main squeeze

2nd Verse

First I thank God in everything; Im made a righteous  
king, so super duper unique

Their aint no copies, like twins thats Siamese, youre  
right beside me

As pretty as daisies , as real as folks be, my eyes are  
on you now its all on me

Dont worry about the ice I can make it deep freeze,

Getting so much frost you gone need A set of skies,

take trips to countries, get cake like bakeries,

So I dont mind spending Gs on monogram Guccis

All the cars and the dreams, theyre great and

everything but my meal aint complete without my main  
squeeze, them other juices, just a tease aint nothing  
like my main squeeze

Chorus:

(You got me saying)

Oh, as soon as I wake up, I think about what my body  
needs, wants thats my main squeeze

Like orange juice in my cup, fill me up and give me

what my body needs, wantsthat's my main squeeze

Cause shawty youre the truth and I want you, yeah

You give me what I want and yeah you give me what I  
need

You give me what I want, Shawty you the main squeeze
