Intro: Aye Shawty Aye! Well Hey Shawty Hey Hey Hey Hey!

Chorus: 2xs

I say you got mo' flava then a box of chicken
girl you're a star should I keep on wishin'
We should get away and we should kick it
Cause I want you home with me
and We can hit the East side, West side
It don't even matter to me
I say we can hit the North side or the South side
as long as we can leave yeah!

Verse 1:

I ain't never seen nobody like you
You have mo flava then some barbecue
Baby I want to get next to you
Lets groove!
I see you have taste
Shawty I know your sweeter then cakes
We should get away on a date
I'm starving for you
Get on my plate
all the ingredients let's see what we can make
AYE!

Chorus: 2xs

I say you got mo' flava then a box of chicken
girl you're a star should I keep on wishin'
We should get away and we should kick it
Cause I want you home with me
and We can hit the East side, West side
It don't even matter to me
I say we can hit the North side or the South side
as long as we can leave yeah!

Verse 2:

I want you baby that's real talk
You're burning up like hot sauce
You move like a model when you walk
They say

You're a tall drink
like sugar water or kool-aid
Well girl I'm thirsty
for some of you
Let's get together later do whatever you choose
I'd like an order of sweet tea and a combo of you!!
