Mark Universe -Trust and Believe

Intro(sung) Trust and Believe

verse 1 :

Naw I aint perfect

Tell me what your perfect is

Yes I strive for it

Despite how hard they say it is

Leaving

Naw I'll hang around

Staying down

Naw count me out

Coming up

you can Count me in

Broke free from mental prison

Then out came the morning sun

Out came more confidence

Then out came ambition and willing for better  
living

Then out went the drama

Then came loving and honor

Then came what was more then ever

Ever, ever ever promised

It's God's universe

I'm just living in it

He gave me my UNIVERSE

Because he trusts me with it

This is just the beginning

Of a beautiful start

I prayed for the world

God gave me his heart

Yes things came hard

But my faith came harder

My enemies seemed smart

But my wisdom made me smarter

Yes my problems seemed large

But my God is Larger

Nothing to fear not even fear

Why Bother?

Â

Chorus :

(We're gonna make it work)

Lean on God's forgiveness

Naw I aint perfect  
but yes His goodness I've witnessed  
(We're gonna make it pass)  
Little insecurities  
Trust and believe  
leave all worries and Everything's gonna be  
ALRIGHT (4x)

Verse 2:

Then out came the morning sun  
Out came more confidence  
Then out came ambition and willing for better  
living

Then out went the drama  
Then came loving and honor  
Then came what was more then ever  
Ever, ever ever promised

Yes I've been there  
Hunger pains and everythang  
Yes I've been there

Bad choices and left in the rain  
Felt as though I couldn't maintain  
Felt the strain of hurting and  
Couldn't shake the thoughts  
And just wanted to have my better days

Then I  
Stopped being afraid

I  
let go of somethangs  
Then I

Felt the peace I wanted  
Fulfilled inside

I  
Accepted Humility  
Let go of my pride  
Let go of the hurt  
Let Joy inside  
And as I ride this rode of life  
Ima steer clear from strife  
I've been strengthened with all might  
God's been with me in every fight  
So everything's gonna be alright  
Everything's gonna be alright!

Chorus : Repeat (2xs)  
(We're gonna make it work)

Lean on God's forgiveness  
Naw I aint perfect  
but yes His goodness I've witnessed  
(We're gonna make it pass)

Little insecurities  
Trust and believe  
leave all worries and Everything's gonna be

ALRIGHT (4xs)
