I am the chapter of your story,
I am your name on the dotted line,
I am the flames in your blaze of glory,
I am your pulse cause now you're mine.

I am the answer to your question,
To your question,
To your question.
What if I were one of you?
What if you were me?
I may call a chosen few,
Will you join me?

Come on down, down, down, down. [2x]

I am the faith that you believe in,
I am only for your eyes,
I'm the only one who knows
What happens when you die.
I am the black rabbit watching,
And I've got you in my stare.

What if I were one of you?
What if you were me?
I may call a chosen few,
Will you join me?

Come on down, down, down, down.

What if I were one of you?
What if you were me?
I may call a chosen few,
Will you join me?

Come on down, down, down, down, down.
Down, down, down, down. [2x]
