To my ray of sunshine,  
you're the only thing that gets me by,  
and when I think of you,  
I know in my heart that I never tried from the start

These feelings I have for you,  
will never fade away  
I just can't be without you  
So this is the day, you'll hear me say

I was wrong, all along.  
Now I'm tryin' to change  
and I'm finally starting to see  
It's my fault  
That you're gone  
and this is my apology.

I remember the first time,  
that I looked into your eyes  
I couldn't believe you were mine  
now I'm empty inside,  
how could I leave you behind?

These feelings I have for you,  
will never fade away  
I just can't be without you  
Now I realize that I wasn't right  
Now I know, how things should be  
I'll do anything,  
you mean everything to me.  
Please give me one more chance  
to be with you again  
I was wrong.  
Now I'm tryin' to say  
That I'm sorry,  
can you forgive me?  
It's my fault  
That you're gone  
and this is my apology.

To my ray of sunshine, this is my apology
