Do you think you're Peter Pan /
you refuse to be a man /
you don't want the world to change /
you might have to rearrange /
You can't make it face to face /
don't you think it's a disgrace /
that you used me for your ends doesn't meet what
you define as friend /
Tell the world that "we" don't understand, why I
will not call you my
friend again /
You take the weight and lift me off your shoulders, so I
can't comfort or
bother you never again /
All your wisdom's theory when you're acting
cowardly /
You had time and time again to remember who's your
friend /
Still you don't know what it's like /
to fight hard to get it right /
It's not just words but it is deeds that friendship
needs /
Tell the world of your love /
Enjoy like a little boy and smile /
Lucky you, you don't have to pay the price /
Someone else will be so nice /
And I know life is short yes and I know we must live /
But I cannot forget though forgive.
