"Nowhere Else"

Far away over the sea, where no one knows me, Iâ€™ll
seek the key, Iâ€™ll try
to see, try to be free /
And Iâ€™ll be searching my heart knowing the time of my
life /
For me to see who I might be and to believe that when
Iâ€™m yearning Iâ€™ll
find just for myself peace of mind /
And thereâ€™s nowhere else where wisdom shines on
me /
I will find myself â€¦ here /
Yet I must know where I can go and where I can grow /
But Iâ€™ll be searching my heart / Unconfirming all that I
know /
And thereâ€™s nowhere else where wisdom shines on
me where Iâ€™ll find
myself â€¦ free /
Yesterday is history, tomorrow is a mystery and today
is a gift call it
â€œpresentâ€ tense, in this foreign land it will all make
sense.
