Running around in circles we don't understand.  
Running around in circles we can't reach an end.  
Running around in circles and we need advice.  
When we finally stop this game with game with loaded  
dice.  
Slow down. Slow down and see the other ways,

Slow down... slow down... slow...  
We've tamed the seas we've tamed the oceans and

Right wing, left wing extremists I clench my fist 'cos I  
can't stand the.

pain.  
I know you want to lead astray you think our children's  
children.  
Will pay the price clean up the mess we've caused on  
earth for our  
success.  
Global warning poison rain, mad cow disease now can  
you feel the.
