When your heart is weak,  
You don't know where to go,  
And you can not sleep,  
And it's time to know,  
That heaven is a million miles away for you girl

At the rainbow's end,  
There's a place for you,  
Just believe in yourself,  
There's so much to do,  
Between the shadows and the lonely hearts for you  
girl,

I know it's not an easy love,  
Enough my baby just enough,  
Oh baby you destroy this love,  
Oh like the devil in the dark,

Don't believe on what they tell about me  
Don't believe, It's only a mystery  
Don't believe,  
In my heart it's raining raining raining

Don't believe on what they tell about me  
Love is like a crazy symphony  
Don't believe,  
In my heart it's raining raining raining

Break a heart of stone  
Careless memories  
Candles in the wind  
Can't turn back the years  
And heaven is a million miles away for you girl

I know it's not an easy love  
Don't ever leave me it's so tough  
'Cause you're the angel of my heart  
Sometimes the devil in the dark

Don't believe on what they tell about me  
Don't believe, It's only a mystery  
Don't believe,

In my heart it's raining raining raining

Don't believe on what they tell about me  
Love is like a crazy symphony  
Don't believe,  
In my heart it's raining raining raining

Don't believe on what they tell about me  
Don't believe, It's only a mystery  
Don't believe,  
In my heart it's raining raining raining

Don't believe on what they tell about me  
Love is like a crazy symphony  
Don't believe,  
In my heart it's raining raining raining

Don't believe on what they tell about me
