I stepped to the bar got a couple of shots, shots, shots
Then suddenly you appeared
You told me that you been round alot, lot, lot
But that you feel safe right here

A conversation turned into lovemaking
I couldn't help it, you couldn't help it
I feel your heartbeat racing, body shaking
And my heart's melting, your heart melting

Cause even on a rainy day
You bring out the sunshine baby
And even on a rainy day
You bring out the sunshine baby
You've got me saying Uhh, uuhhh
You've got me thinking Uhh, uuhhh
You've got me saying Uhh, uuhhh
You've got me thinking Uhh, uuhhh, Uhh, uuhhh

You're my favorite drug, drug, drug, drug
I need a hit everyday
And i fell right in love, love, love, love
I didn't even know your name

A conversation turned into lovemaking
I couldn't help it, you couldn't help it
I feel your heartbeat racing, body shaking
And my heart's melting, your heart melting

Cause even on a rainy day
You bring out the sunshine baby
And even on a rainy day
You bring out the sunshine baby
You've got me saying Uhh, uuhhh
You've got me thinking Uhh, uuhhh
You've got me saying Uhh, uuhhh

You've got me thinking Uhh, uuhhh, Uhh, uuhhh

Cuz even on a rainy day
You bring out the sunshine baby

Cause even on a rainy day
You bring out the sunshine baby

And even on a rainy day
You bring out the sunshine baby
You've got me saying Uhh, uuhhh
You've got me thinking Uhh, uuhhh
You've got me saying Uhh, uuhhh
You've got me thinking Uhh, uuhhh, Uhh, uuhhh

Cuz even on a rainy day
