Oh baby please
believe in me
you're all my love
for now or never
baby please
take all my heart
can't get enough
let's stay together
I will never ever let you go
but how can I'll be sure
that you always love me girl
more than just before

Refrain:

Oh, here I stand
Baby love me as I am
and anytime
and anywhere
I hold in my heart
Oh here I stand
be your lover be your friend
don't take away my heaven girl
'cause I need you so

Born to win
I give you on
a million years
my love is burning
lonely hearts and lonely days
I cannot stand
my world is turning
Everybody wants to go to heaven
get it why you can't
baby it's easy said than done

please come on understand

Refrain:

Oh, here I stand
Baby love me as I am
and anytime
and anywhere
I hold in my heart
Oh here I stand
be your lover be your friend
don't take away my heaven girl
'cause I need you so

Oh here I stand
baby love me as I am
and anytime and anywhere
I hold you in..
my heart..
here I stand..
oh yeah..
here I stand
