Maybe tonight
it's gonna happen
and if I'm right
this could be heaven

Got her own type of style
break your heart with a smile
it's like poetry
when she's close to me
and maybe tonight
tonight

She's the one for me
one for me
one for me
she's the one
she's the one

She's my fantasy
fantasy
fantasy
she's the one
she's the one

And I want her
and I need her

'Cause
She's the one for me
one for me
one for me
she's the one
she's the one

It's in her eyes
eternal energy

I'm flying so high
whenever she's next to me

Got her own type of style
break your heart with a smile
it's like poetry
when she's close to me
and maybe tonight
tonight

She's magical
mysterious
so out of reach
I just wanna be with her

She makes me wanna
scream and shout
I never want to live without
her love
