Yeah, listen, the song goes out to you baby,
I love you, you and I, yeah, you and I

Vers 1:

Not to must from nowhere
that you ran the principal
not to must from nowhere that our voice combine
I breakin' in the new love
it's all hard to do
like fire on the ocean
me and you
Baby where I go, I need you so
You're always on my mind
Baby where I go, I miss you so
Love is hard to find
Everytime I see you, don't wanna second time
Baby you are on my mind

Refrain:

Baby you and I
Oh it feels like paradise
Baby hold me tight
in your arms now
Baby you and I
Angel from my paradise
Baby feel my heart
it is burnin'

Vers 2:

I kiss the sun from heaven
the record to my heart
I let her dressed in red don't torn apart
Can you keep a secret you're my greatest love

Can you hear my heart beat
it can get enough

baby where I go I need you so
youyou are always on my mind
Baby where I go I need you so
Baby love is hard to find
Everytime I see you don't want a second time
Baby you are on my mind

Refrain:(3x)

Baby you and I
Oh it feels like paradise
Baby hold me tight
in your arms now
Baby you and I
Angel from my paradise
Baby feel my heart
it is burnin'

Baby you and I
Angel from my paradise
Baby feel my heart it is burnin'
