So deep in my heart there's a fire, a burning heart

So deep in my heart there's desire for a start

I'm dying in emotion

Is my world a fantasy?

I'm living in my, living in my dreams

You're my heart, you're my soul

I'll keep it shining everywhere I go

You're my heart, you're my soul

I'll be holding you forever

Stay with you together

Let's close the door and believe my burning heart

Let's feeling alright, come on open up your heart

Baby,yeah

I'm dying in emotion

Is my world a fantasy?

Baby, I'm living in my, living in my dreams

You're my heart, you're my soul

I'll keep it shining everywhere I go

You're my heart, you're my soul

I'll be holding you forever

Stay with you together

Can't you feel it

Don't you know

You're my heart, you're my soul

I'll keep it shining everywhere I go

You're my heart, you're my soul

I'll be holding you forever

Stay with you together

You're my heart
