

Motionless In White "Destroying Everything"

Visit "[Destroying Everything](#)" on MotoLyrics.com

Oh... oh... oh.

When I look in the mirror I know not who I see,
It's hopeless, it's hopeless.
But I am not sorry for what that I've done,
They had it coming, we all die someday.

I always do what the voices tell me to do,
It's always... easier to kill when your already... dead
inside.
Lock me up cause I've lost my fucking mind,
Rock back and forth, it kills me, it thrills me.
Rock back and forth, to see you dead.

Destroying everything, I'm bathing in your blood.
(Destroy everything, destroy everything.)
And when you try there will be no one to hear you
scream.
(Destroy everything, destroy everything.)
Reach out to me.

When I killed them all they begged for life but I took it
away,
Now here I am scratching all the paint off the walls
again.

I always do what the voices tell me to do,
The rain is a welcoming promise... that tomorrow will be
worse.
Than today and forever... we'll sing forever.
Please give me something to believe in,
I feel as if my minds slipping.
I can't help feeling my life's going to end.

Rock back and forth, it kills me, it thrills me.
Rock back and forth, to see you dead.

Destroying everything I'm bathing in your blood,
(Destroy everything, destroy everything.)
And when you try there will be no one to hear you
scream.
(Destroy everything, destroy everything.)
Reach out to me.

Oh my god, oh my god, oh my god what the fuck have I
done?

Oh my god, oh my god, oh my god what the fuck have I
done?

Oh my god, oh my god, oh my god what the fuck have I
done?
