The Wall That I Have Built To Keep You Out Is Starting  
To Rust  
Because Everything Around Me Just Reminds Me Of Us  
I am An Addict For Dramatics, Black Hair And Pale Skin  
Yet I'm Still Collecting Bones, But That's Why Closet's  
Are For Skeletons  
Undress Your Body, Hold It Over My Head  
Because You Know That If You Knock Then I Will Always  
Let You In  
I've Been Numb For So Long That I Forgot How To Feel  
So I Don't Care If It Will Break My Heart, Just Fuck Me Till  
We Disappear

You Said You'd Never Hurt Me  
Now This Is All That We Have Left  
You Were Supposed To Save Me From Myself

The Wall That I Have Built To Keep You Out Has  
Crumbled To Dust  
And I Hope That Every Thing You See Reminds You Of  
Us  
I've Been Gone For So Long That I Forgot What Is Real  
So I Don't Care If I Will Miss You, Please Just Fuck Me Till  
We Disappear

You Said You'd Never Hurt Me  
Now This Is All That We Have Left  
You Were Supposed To Save Me From Myself  
You Said You'd Never Love Me  
But Look How Hard Someone Can Fall  
I Was Supposed To Save You From Yourself

Now The Sky Is On Fire And We Lie Wide Awake  
There Is No Other Way Than To Make This Mistake  
We Can't Control Who We Hurt, So We Fuck The Pain  
Away  
So Put All Your Pride, All Your Guilt Into Me  
And Suck The Breath From My Lungs, I'll Swallow Your  
Hate  
We Can't Control Who We Hurt So We Fuck The Pain  
Away
