I Want To Hurt You
I Don't Deserve You
Unlace Your Body, I Want Total Control
Like Maggots From The Host
You Drain, I Decompose
Swallow Your Faith, Submit And Fuck Until We Overdose

We Said This Was The "Last Time", Over And Over
Again
The Closer I Get Is The Farther I Feel (Blind Eyes)
And I'm Loosing My Grip On Remembering What's Real
(Hands Tied)
Cause Our Synthetic Love Is All That We Know
My Head Is A Mess
And It's Going To Explode

I Want To Watch You, Expose And Drill Through
Inject The Poison, I Have Lost All Control
Crawling Inside Of You
(The) Fruit Of The Flesh Is Bruised
Swallow The Pain, Relive And Fuck Until We Fill Like New

We Said This Was The "Last Time", Over And Over
Again
The Closer I Get Is The Farther I Feel (Blind Eyes)
And I'm Loosing My Grip On Remembering What's Real
(Hands Tied)
Cause Our Synthetic Love Is All That We Know
My Head Is A Mess
And It's Going To Explode

We Lost Our Heads And Minds Explode
I Don't Want Trust In Losing Control
I'm Just A Slave To How This Feels
(But) Baby Please Don't Believe This Is "Real"
I Wrap My Hands Around Your Throat
Bury Your Face, Remove All Your Clothes
We're Both Just Slaves That Can't Refuse
And Everything That We Have Loved In The End We Will
Lose

The Closer I Get Is The Farther I Feel (Blind Eyes)
And I'm Loosing My Grip On Remembering What's Real
(Hands Tied)
Cause Our Synthetic Love Is All That We Know
My Head Is A Mess
And It's Going To Explode
