Verse 1

One, two, three, go!
I love how you move and how you say yes
Forget my success, unzip your dress
We've got a bag of fun and oh it's not there
Well if I take you home, maybe you'll share
I love you so much I'll do whatever you do
I'll take another line, but only for you
Now if I fall asleep and I won't wake up
Try your best to save me and never give up

Chours 1

You're breaking my heart I'm dying slowly
Tell me right now baby if you love me
Oh, forever, oh oh, forever,
Oh, forever, oh oh, forever,
Let's go

Verse 2

Will we slow down it's way too fast
I'm not saying stop I just want it to last
Every little touch takes me so much deeper
Oh my god, I've got to keep her
I know it's a risk and I know it's all fake
But you are a lie I'm willing to take
Tell me what you're worth girl I'll pay the cost
'Cause without you I'd feel so lost

(Chours 1)

Chours 2

Come on little lady go and you'll be fine
I know that it's harder when you barely know me
I don't know what your name is but I bet you're pricey
How much does it cost to tell me that you love me
How much does it cost to tell me that you love me
How much does it cost to tell me that you love me
