I cant believe it.
I shouldÂ've seen it, when you walked on by.
But it ainÂ't a feelinÂ' .
Oh Was I dreaminÂ'?
I just canÂ't lie.

Cause I donÂ't care, just wrap me up, just get me out of
here.
And the room is getting smaller as our bodies get so
near.
IÂ'm staring at the fire thatÂ's burning in your eyes.
I remember telling you that IÂ've thrown out the lies.
Cause I, I canÂ't lose you now.
We fell apart.
I broke my promise.
I stopped your heart.
You said youÂ'd be there, and I did too.
I canÂ't lose you now.

I saw her leaving.
She was deceiving.
IÂ'm lost tonight.
I just canÂ't take it.
Come on and break it.
She lost the fight.

Cause I donÂ't care, just wrap me up, just get me out of
here.
And the room is getting smaller as our bodies get so
near.
IÂ'm staring at the fire thatÂ's burning in your eyes.
I remember telling you that IÂ've thrown out the lies.
Cause I, I canÂ't lose you now.
We fell apart.
I broke my promise.
I stopped your heart.
You said youÂ'd be there, and I did too.
I canÂ't lose you now.
