You think you're so hot when we all know you're not!  
You think you're so cool when we all know you drool!  
You wear those platform shoes,  
You look like a tramp.  
You wear the makeup,  
You look like a brat!

That's because you're a diva, diva!  
That's what you are-diva, diva!  
That's what I want to say.  
Diva, diva.

You're such a show-off!

You think everyone loves you when we really hate you.  
You think you're so popular.  
I think that you're just a diva, diva.  
That's what I want to say, diva, diva.  
That's what you should hear.  
Hear it loud and clear.

'Cause you're a diva, diva.  
Bring it on now.  
Diva, diva.  
You think you have everything,  
And we know that's not true,  
You're lying to me,  
And to you.

You make everything so dramatic.  
We know what's true about you,  
And we know what's false.  
We know that you're false and you ain't true,  
It's not coming from me,  
It's coming from you!

You're diva, diva.  
Diva, diva.  
Diva, diva.  
Diva!!! Diva.

You think you're so hot when we all know your not, not,

not!  
You think you're so cool when we all know you drool.  
You think your number 1, when you're number 2.  
You know what's true-true!  
And you will never, ever, ever be... true!

That's because you're a diva!

Diva is all I got to say,  
That's what you are,  
And you have a bad day,  
You're still a diva, diva.

It's not coming from me,  
It's coming from you!  
You still and always will be a diva to me,  
And that's who you'll be.

You'll never change you're selfish ways, diva, diva.  
You're such a diva with your platform shoes-you tramp.

You still wear the makeup-you brat.  
You get what's coming to you,  
And it's not love, it's hate.

You're still a diva, diva.  
That's what I want to say.  
That's what you should hear.  
And make it loud and clear.

I'll spell it out for you one time.

D-I-V-A is what you are!  
You think that you're always the star.  
We know your fake, and you know it true,  
It's not coming from me,  
It's coming from you!

Diva, diva.
