Omega is this forum.  
Omega is inside of me, inside of me.

now, I could just be somebody else,  
who tries to convince someone else,  
that i am also just as worth, just as worth

as you, you do not own the fucking moon,  
you won't control the mankind's doom  
you'll control me over my groove.

I defy you, your command,  
Defy your power gun  
ya kill my body, not my soul, not my mind

I defy you, your command,  
Defy your power gun  
ya kill my body, never mind, never mind.

my soul won't give up  
my soul won't give up  
my soul won't give up  
my soul won't give up

with the warriors of irony, irony  
my soul won't give up  
my soul won't give up  
my soul won't give up  
my soul won't give up
