Who am I
That You would call me Your own
Who am I
That You would love me so

The chains that had me bound
Falling to the ground
Now that I am free
I will walk in Your liberty
Though darkness had come in
Your blood washed all my sin
And now I am renewed
And it's all because of You

Who am I
That You would wipe the guilt away
Who am I
That You would cleanse me from my shame

The chains that had me bound
Falling to the ground
Now that I am free
I will walk in Your liberty
Though darkness had come in
Your blood washed all my sin
And now I am renewed
And it's all because of You

And when the darkness clouds my way
I will no longer run away
It was the plan of the Lamb
and because of who I am
The chains that had me bound
Falling to the ground
Now that I am free
I will walk in Your liberty
Though darkness had come in
Your blood washed all my sin
And now I am renewed
And it's all because of You

It's all because of You, yeah
