I lift my eyes to you
O God enthroned in Heaven
You give me mercy too
You said ask and I'll give you the nations

I lay my trials down here at your feet
Your grace and mercy make me ready to be

Devoted, devoted to you
Lord take my hands and make them ready to use
For your glory
Lord I lift up your name
I don't want to turn back or ever be the same again
I'm yours til the end, oh

You breathed your life in me
When I needed someone to hold me
You came to rescue me
In a world that's cold and lonely

And when the storms of life come crashing down
I know my God is there to turn them around

I'll be devoted, devoted to you
Lord take my hands and make them ready to use
For your glory
Lord I lift up your name
I don't want to turn back or ever be the same again
I'm yours til the end, oh

And when the storms of life come crashing down
I know my God is there to turn them around

I'll be devoted, devoted to you
Lord take my hands and make them ready to use
For your glory
Lord I lift up your name
I don't want to turn back or ever be the same again
I'm yours til the end, oh
I don't want to turn back or ever be the same
I don't want to turn back or ever be the same again
