Have you ever noticed,  
That I'm not acting as I used to do before?  
Have you ever wondered,  
Why I always keep on coming back for more?

What have you done to me?  
I'll never be the same, I'll tell you for sure.

I'll never be the same, I'll tell you for sure.  
I'll never be the same, I'll tell you for sure.

You really are my ecstasy,  
my real life fantasy.  
(x2)

Not that I'm complaining,  
A more beautiful vision  
- I have never seen. -  
If you don't mind me saying,  
A lifelong ambition to fulfill my dream.

What have you done to me?  
I'll never be the same, I'll tell you for sure.

I'll never be the same, I'll tell you for sure.  
I'll never be the same, I'll tell you for sure.

You really are my ecstasy,  
My real life fantasy, oh yeah.  
(x2)

You really are my ecstasy  
(There can be no other,  
while we still have each other)  
My real life fantasy, oh yeah.  
(x2)
