Stop! Girls go crazy -
When you kiss me in the street
when you show me what I need.
I say: stop! Girls go crazy -
When I try to move away you get closer every day.
I say: stop! Girls go crazy -
When you're livin' on my time for a while.
Well
I don't know what your heart is gonna do

But your dreams are out in the blue.
Wastin' time and hoping for romance

You're waking up
you'll cry so badly.
When you give me
girl
all of your heart

You don't know that we'll always be apart.
Well
girls I'll lay it down straight

I'll let you go
you'll cry so badly
no fame and fortune!
Stop! Girls go crazy - . . .
Stop! Girls go crazy - . . .
