I rest my spirit in the valley below
My pain won't grow in this barren soil
The bliss of integrity keeps the fragments alive
Wrapped into velvet preserved from light

I am me, this is not misery
Love thyself, chase the shadows away

Kingdom of my memories is lost
Buried in the ashes of my relics

There's smoke without fire
Burning dark desire

My world can't be derranged
In this heavenly sanctuary, I know who I want to be
Courses can not be changed
My path, my secret path, one with the world

There's smoke without fire

Burning dark desire

Look at me my dreadful self
I can accomplish anything
Delighted from what I have done
I'm a raptured king

I rest my spirit in the valley below
My pain won't grow in this barren soil
The bliss of integrity keeps the fragments alive
Wrapped into velvet preserved from light

I am me, this is not misery
Love thyself, chase the shadows away

Kingdom of my memories is lost
Buried in the ashes of my relics

There's smoke without fire
Burning dark desire
