Overshadowed by the others
I wish to see this day
I try to stand up straight again
But my strength crawls away

The genocide of yourself
Forgotten rapture
Of joy of achievement
Are you dead

Will you isolate your mind
Your own world is kind

Are you born into submission
Is life a mirage
Do you have a forgotten vision

Are you godsend

Try to stand once again
Stretch above and see the day

Are you the godsend

The maim our souls and crush the weak
Degenerate what we seek
In the abyss of dark violence
In this time of bleak silence

Try to...

Overshadowed...

The genocide...
