Here I am  
I'm wide awake  
Can't fall asleep  
In pitch black darkness I see what's real

Slumbering and slivering I touch almost everything  
Despite my oldfashion ways I see things in new light  
Still slumbering and slivering my thoughts flew away  
Despite my oldfashion ways I'm alternating days

Still I am here, still wide awake

Another yesterday becomes today with faded  
memories

Dead - gone  
Once I asked you please stop the train I begged you to  
stop it  
God - damn  
Commonsense man, Innocent lamb, Misconduct,  
Selfdestruct  
Rock the cradle, rock to sleep, come to daddy, come to  
me and  
Let me sleep

My turn to sleep

Can't close my eyes  
Can't fall asleep  
Thou it's my turn to sleep  
Yes, it's my turn to sleep
