Senseless
Worthless
Why am I here
I fear, I fear

Life itself, life itself
Sleep, drown, sleep, wish
By myself, by myself
Sleep, dream, sleep, will

Where did you go
No one seems to know
I close my eyes and try to sleep
The shape of you I still can see

You didn't believe it - I tried to tell you

Senseless
Worthless
Why am I here
I fear, I fear

Life itself, life itself
Sleep, drown, sleep, wish
By myself, by myself

Sleep, dream, sleep, will

I can never dream things are not what they seem
I close my eyes and try to sleep
The shape of you I still can see

Now can you see it - now that I've showed you

Love, hate, life, waste
Love, hate, life, waste
I don't want you, I don't need you
I close my eyes and try to sleep
The shape of you I still can see

Senseless
Worthless

Why am I here
Sleepless, sleepless
