[Ya-Boyy]

Whoa! Hold up! Why you blowing out?
Ya-Boyy, do-do brown, yo, what the fuck you talking

spreading lies, talking bout Ya-Boyy tricking with his
tongue,

I never knew a bitch who told lies on me,
a bitch like you, who despised on me,
tryin' to get cute, get fly on me,
a hoe, just underground, trying to rise on me,
holler, midday-bitches like, send a pigeon down

I hit it from the back, but just as far as I'm with, see,
I'm the type of nigga that's down for paying dues,
fuck it, never sucking, just straight fucking, bitch,
don't get mad at me cause you did what you did,
hoe be a hoe, stop lying like a kid,
'cause if you had a dollar everytime you wit' down,
you probably be the richest bitch in town
