This song is for you  
David Luca Leon  
It shall guide you through the night  
And help you through the day

Whenever things go wrong I'll be with you  
Whenever clouds are there We'll fight it through

You never walk alone ( I'll be with you )  
Never walk alone ( I'll be with you )

And when you think you have to cry  
Then rest a little by my side  
You should know,  
You never walk alone

This song is for you  
David Luca Leon  
It's a song just for you  
To brighten up your day

Whenever things go wrong I'll be with you  
Whenever clouds are there  
We'll fight it through

You never walk alone ...
