I know I heard yesterday still can't believe that it's  
True  
I know I heard yesterday do you mention us what to do  
I know I was shocked I was stunned I don't know what to  
Say  
I still be hanging here all day  
Anyway

I know I heard yesterday still can't believe that it's  
True  
I know I heard yesterday do you think she knows what  
to  
Do  
I know I was shocked I was stunned I don't know what to  
Say  
I still be hanging here all day  
And silently pray

And all her friends, they tell her she'll  
Be better off without him  
I've heard that he's been fooling around  
With every little tramp in town

But now that it's done and it seems like it starts to  
Say  
She might be tempted to rock my way

I know I heard yesterday still can't believe that it's  
True  
I know I heard yesterday do you think she knows what  
to  
Do  
I know it's absurd if it's true what I heard then I'm  
Floored  
It's as if I wrote the storyboard

And all her friends, they tell her she'll  
Be better off without him  
I've heard that he's been fooling around  
With every little tramp in town

But now that she's free she'll come over to me and  
She'll say  
Do you want to come out and play  
With me today
