"All The Aces"

The only thing I know is playing rock 'n' roll,
I'm not a business man, I'm just in a good time band,
You don't let no-one know where the money goes,
Because of parasites I ain't got no rights,
All the aces, all the aces, all the aces
Held by people ain't got no faces

You know I don't know why you have to be so sly,
One thing I learned, I don't get what I earn,
But you get your share though you ain't nowhere,
All the aces, all the aces, all the aces
Held by people ain't got no faces

You know you're the boss but I'm the one it costs,
Gotta see the books, you give me dirty looks,
And you make me vomit and I ain't far from it,
You know you can rob me but you can't stop me,
All the aces, all the aces, all the aces
Held by people who ain't got faces
