You know I'm bad, the times I've had
I've got a bad reputation
I don't care, I get my share
Don't feel no deprivation, I don't

The more I get, the better it is
I like it fine, I like a little whiz
Treat 'em like ladies, that's a fact
You know the chase is better than the catch
You know

The silver tongued devil, demon lynch
I know just what I'm doing
I like a little innocent bitch
You know I ain't just screwing, I ain't

I love you baby, know you're too much
I like it fine, I feel your touch
But your appearance don't hold no class
You know the chase is better than the catch

A little beauty, I love you madly
Come on home with me
I know you're hot, I know what you've got
You know I want to shake your tree, they know

Come on honey, touch me right there
Come on honey, don't you get scared
Come on honey, let me get you in the sack
You know the chase is better than the catch
You know

All right, let me hear ya
Let me hear ya, let me hear ya
Let me hear ya, I can't hear ya
I can't hear ya, I can't hear ya
[Incomprehensible]
