Watchin' you, watchin' me  
I was hopin' you'd be here tonight  
Watchin' him, watchin' you  
He'd better watch out too  
He keeps gettin' in my light

I think he's goin' overload  
Don't know what you're runnin' for  
He thinks he's got you where he wants you, babe  
But he don't understand the power of the claw  
The claw, the claw, the claw

You know me, I know you  
We both know what we came here for  
And he thinks he knows you  
He thinks he's got you too  
Gonna make him cry for sure

He's goin' to have to make his own way home  
I don't know what is he smiling for  
He thinks you're gonna keep your promises, babe  
But he don't understand the power of the claw  
The claw, the claw, the claw  
The claw, the claw, the claw, the claw

Me walkin' up to you  
And whisper in your eager ear  
You whisper back to me  
And he begins to see  
He feels the claw is near

And so the ballet starts again  
Exit stage left through the door  
And we begin the horizontal dance  
And he begins to know just what the claw is for  
The claw, the claw, the claw  
The claw, the claw, the claw, the claw

The claw, the claw, the claw  
The claw, the claw, the claw  
[Incomprehensible]

You know just what the claw is for  
You know just what the claw is for  
You know just what the claw is for  
I know what my claw is for
