Babe, you're dressed to kill tonight
I get ahead of myself
If you knew what you do to me
You'll be with someone else

Jump back, be cool
You make me feel like I'm back at school
Make me crazy
Crazy for you

Oh, you make me hot
Come on, show me what you got
You're moving slow, baby don't say no
You move like a rattlesnake
And I can't stand no more

Oh babe, you're gonna wreck my mind
And I hope you do it all the time
You better give it your best shot
You know I'm crazy, crazy like a fox

Don't you turn your back on me
You just make it worse
You look just as beautiful
When you're movin' in reverse

Come on, be nice, oh babe
You're gonna wreck my life
Make me crazy
Make me jump all night

Oh, you make me die
When I look into your eyes
I'm moving in, I'm coming through
You must be an earthquake
'Cause I'm shaking in my shoes

Oh babe, you're gonna wreck my mind
And I hope you do it all the time
I love you're body 'cause it rocks
You make me crazy, crazy like a fox

Come on honey, take my hand
'Cause we're out of here
I'm gonna take you home with me
I'm gonna whisper in your ear

Come on, make it quick
Oh, mama, hit me with your rhythm stick
It's magic time
But I don't play no tricks

Oh baby, come on
You know I want to get it on
You must be a guitar player
The way you're stringing me along

Oh babe, you're gonna wreck my mind
And I hope you do it all the time
I'm gonna knock you out of your socks
You make me crazy, crazy like a fox

You've been doin' it all the time
You know I love you, love you lots
Crazy like a fox

You're gonna wreck my mind
And I hope you do it all the time
I love you're body, I know it rocks
I know you're crazy and you're a fox
'Cause you wreck my mind
