I bet you thought you're a real operator  
But I don't know why  
All you had was a bankroll, babe  
And a glint in your eyes  
Ahmstomobinglurgleinyerblerg  
I'm the one  
Dancing on your grave

You know I'm a killer, babe  
It's no news to you  
You couldn't buy me with a million, babe  
'Cause I'm too good for you--uh  
I know you think I'm m real rough [gargle]

Now I'm the one  
Dancing on your grave  
Chow! (?)

(solo)

Once I knew you as a real high-stepper  
Ahna hitooblea  
But you know you ran outta money  
Whuhzuhbothablee  
I'm the one you never laid(? meet?)  
Now I'm the one  
Dancing on your grave
