Hear my voice
Make your choice
Beat the drum
Hide the sun

Devils in my head tonight
All is wrong, if it's not right take care
Whispers in the walls I hear
Nothing ever made quite clear, beware

Go to hell
Make me well
Show your hand
Make a stand

Angels in my heart tonight
Say the word and make it right, so dark
Angels flying in my dreams
All is never what it seems, take heart

Speak my name
Feel no shame
Take your time
You are mine

Monsters in my eyes today
I can't make them go away, it's true
Strangers in the world it seems
Nightmare visions, fever, dreams, I dream of you

Angels in my heart tonight
Angels in my heart tonight
Angels in my heart tonight
Angels in my heart tonight
Angels in my heart tonight

Angels in my heart tonight
Angels in my heart tonight
Angels in my heart tonight
Angels in my heart tonight
Angels in my heart

[Incomprehensible]

Angels in my heart tonight
Angels in my heart tonight
Angels in my heart tonight
Angels in my heart tonight
Angels in my heart tonight
Angels in my heart tonight
