"Dirty Love"

Visit "[Dirty Love](#)" on MotoLyrics.com

I could use some dirty love
You can't abuse my dirty love

That's what I need
To satisfy my greed
Come on over with your dirty love

I want to taste some dirty love
Don't want to waste your dirty love

Whatever you got
You bet your life, I want the lot
I want to grab your dirty love

Like this

I gotta have your dirty love
I gotta have your dirty love

I'll show you the way
To dirty love all night, all day
I'm gonna treat you to dirty love

Right now

Right now, right now, right now
Right now, right now, right now
Right now, right now, right now
Right now, right now, right now
