Little girl sleeping in dreams of peace
Mommy's been gone a long time
Daddy comes home and she still sleeps
Waiting for the world's worst crime

And he comes up the stairs like he always does
And he never turns on the light
And she's wide awake, scared to death

She smells his lust and she smells his sweat
Curled in a ball she holds her breath
Praying to a God that she's never met

Don't let daddy kiss me
Don't let daddy kiss me
Good night

Little girl lies by her daddy's side
And she listens to him breathe
She knows there's something awful wrong
That she's far too young to see

And she knows she can't tell anyone
She's so full of guilt and shame
And if she tells she'll be all alone

They'd steal her daddy and they'd steal her home
And it's not so bad when daddy leaves her alone
Praying to her God with his heart of stone

Don't let daddy kiss me
Don't let daddy kiss me
Good night

Why, tell me why
The worst crime in the world

And daddy lies by his daughter's side
And he sleeps both deep and well
No nightmares come to him tonight
Though his daughter lives in hell

For his seed is sown where it should not be
And the beast in his mind don't care
And the only sounds are the tears that fall

Little girl turns her face to the wall
She knows that no one hears her call
But it seems like God hears nothing at all

Don't let daddy kiss me
Don't let daddy kiss me
Don't let daddy kiss me
Good night, oh dear
