Evolution is a mystery
Full of change that no one sees
Clock makes a fool of history
Yesterday's too long ago
Don't agree with what I know
Tomorrow becomes the place to be

I see the line in the sand
Time to find out, who I am
Looking back to see where I stand
Evolution, Evolution

See my reflection change
Nothing ever stays the same
But you know the names The Game

We don't know what it means
Nothing's ever what it seems
Unforgiven...unforseen

I see the line in the sand
Time to find out, who I am
Looking back to see where I stand
Evolution, Evolution
