Here we go again on a 747  
Looking at the clouds  
From the other side of heaven

Smoking and drinking  
Never gonna stop  
Reading magazines  
Stop me looking at the clock

Wanna watch the movie  
Can't sit still  
Flying down to Rio  
Going to Brazil

Watching all the road crew  
Attacking little girls  
Joined the mile high club  
Going round the world

All the booze is free  
Airline going broke  
Here come the lady  
With another Jack and Coke

Wanna watch the movie  
Can't sit still  
Flying down to Rio  
Going to Brazil

Steve, Clem, Hobbsy  
John, Crazy Dil and Pappy  
Had to travel second class  
They ain't too fucking happy

Elevator music  
Butter in my ears  
Think we're gonna die  
Just the pilot changing gear

Wanna watch the movie  
Can't sit still  
Flying down to Rio

Going to Brazil

[Incomprehensible]
