I don't need no
I don't need no smack
Don't you do it
It'll stop you in your tracks
You might think it's your lover
Not enough forever
There's a monkey on your back

Ain't no future
The mainline ain't the way
If you got problems
Face 'em now today
'Cause there ain't no use in hidin'
While you're watchin' your friends dyin'
The monkey makes your day

Turn it up!

You might think I
Ain't got no place to preach
But paradise
Is right there in your reach
But I'm here to tell ya
Heroin gonna kill ya
The monkey's just a leech
