When I was young I was the nicest guy I knew  
I thought I was the chosen one  
But time went by and I found out a thing or two  
My shine wore off as time wore on

I thought that I was living out the perfect life  
But in the lonely hours when the truth begins to bite  
I thought about the times when I turned my back and  
stalled  
I ain't no nice guy after all

When I was young I was the only game in town  
I thought I had it down for sure  
But time went by and I was lost in what I found  
The reasons blurred, the way unsure

I thought that I was living life the only way  
But as I saw that life was more than day to day  
I turned around, I read the writing on the wall  
I ain't no nice guy after all, I ain't no nice guy after all

In all the years you spend between your birth and death  
You know there's lots of times when you shouldn't  
saved your breath  
It comes as quite a shock when that trip leads to a fall  
I ain't no nice guy after all, I ain't no nice guy after all

When I was young I was the nicest guy I knew  
I thought I was the chosen one  
But time went by and I found out a thing or two  
My shine wore off as time wore on

I thought that I was living out the perfect life  
But in the lonely hours when the truth begins to bite  
I thought about the times when I turned my back and  
stalled  
I ain't no nice guy after all, I ain't no nice guy after all
