Good lookin' girl in the corner
She nice enough to eat
She look over and she smile and then, oh
From her head to her feet

Over and over and over
Trying to catch her eye
If I don't do something, it'll come to nothing
Hate myself the rest of my life

Don't you accuse me, honey
You know I feel just fine
I know, you know that I know
Oh yeah, I know you're mine all mine

Girl was looking me over
Just checking me out
Looked me in the eye and I was like to die
Knew what I was all about

Tell me, tell me, please tell me
Tell me what you're gonna say?
If you don't say yes, I'm gonna be depressed
Sure hope I'm doing okay

You can't accuse me, honey
Talking dirty ain't no crime
I know, you know and you know that I know
Oh yeah, I know you're mine all mine

Said she was thinking it over
She got a look in her eye
Told me her name, expected the same
And so I told her mine

Forever and ever and ever
I swear I ain't no liar
Gonna be your man
You'll be glad that I am
Burn you in sexual fire

You can't refuse me, honey

Don't let get all just fine
I know, you know and I know where you go
Oh yeah, I know you're mine all mine, yeah
