Sunrise, wrong side of another day  
Sky high six thousand miles away  
Don't know how long I've been awake  
Wound up in an amazin' state

Sunrise, wrong side of another day  
Sky high six thousand miles away  
Don't know how long I've been awake  
Wound up in an amazin' state

I can't get enough  
You know it's righteous stuff  
Goes up like prices at Christmas, this

Motorhead, you can call me  
Motorhead, all right

Brained out, total amnesia  
Get some mental anesthesia  
Don't move, I'll shut the door, kill the lights  
If I can't be wrong I must be right

All good clean fun  
Have another stick of gum  
Man, you look better already, aah

Motorhead, remember me now  
Motorhead, all right  
(Fuck)

Fourth day, five day marathon  
We're movin' like a parallelogram  
Don't move, the mornin's not a pretty sight  
I guess I'll see you all on the ice

I should be tired  
All I am is wired  
Ain't felt this good for an hour

Motorhead, remember me now  
Motorhead, all right
