All men know what waits for us  
Wooden box, worm and dust  
Maybe Heaven, pearly gates  
Hasty prayer when it's too late

Burn in hell, all is lost  
Purgatory, fingers crossed  
Which or who? Yours or mine?  
Eternity's a long, long time

Never mind, never fail  
Right this time on the nail

Never mind, never mind  
Never mind, never mind

No remorse, no remorse  
No remorse, no remorse

You know it well, confess it now  
Christian guilt is what's allowed  
Other words are heresy  
Burn forever, one two three

What can you do? No guarantees  
Hopeful begging on your knees  
All in all, you're going down  
Winged sinner or singed clown

Never mind, never fail  
Right this time on the nail

Never mind, never mind  
Never mind, never mind

No remorse, no remorse  
No remorse, no remorse

Repent ye fool, God will hear  
Christmas carol, midnight clear  
Otherwise pits of fire  
Punishments for base desire

Satan waits, goatee beard  
Long old tail, nasty spear  
If you believe these tales they tell  
Then you deserve to burn in Hell

Never mind, never fail  
Right this time on the nail

Never mind, never mind  
Never mind, never mind

No remorse, no remorse  
No remorse, no remorse
